“Know Thyself Specialist” With Heart!

Be the Best Version of You! Think Bigger, Play Bigger, Make More Money, and Renew Your Excitement for Life!

Speaker Service

Entertaining and inspiring, Beverly really connects with her audience to deliver the transformational missing piece on how to “become the best version of you”, think bigger, and play bigger, make more money and get a renewed excitement about life. Beverly uses her trademark wit to reframe the common challenges audiences have and helps you by teaching you the how to use the transformational leading edge combination of EFT (emotional freedom technique) and the Law of Attraction. You gain control, enhance your inner power, reclaim freedom in your business and allow your true self to emerge. As you do, you give birth to a remarkable business and life and dramatically improve your Law of Attraction Results.

An entrepreneur and Beverly found her passion and purpose and became a Certified Law of Attraction Coach, EFT Trainer and are combining it with a background of more than 3 decades of honing her skills with top sales awards, leadership, training and coaching experience. Yes! Over 3 decades!

Beverly’s background includes, being recruited for a 6-year stint, as an independent off-site Coach with one of the largest coaching companies in North America. As a Master Coach she has coached hundreds and hundreds of people (primarily women) across the nations. She coached sales people within Re/Max, Coldwell Banker, Prudential and many more. She helped women find the courage to build businesses from \$68,151 up to \$756,414 and beyond. Most importantly, she does it with a sense of fun, style, and heart. Beverly underwent her own transformation and people all around her were asking what she did to create her high 6 figure practice (and growing) with an awesome lifestyle.

Beverly has *rocked the house* from Canada to the USA. Beverly is the “know thyself specialist” with heart in getting results that last using the Law of Attraction and EFT. As an Author, Trainer, Speaker and Law of Attraction Coach, Beverly has appeared in front of small and large audiences in North America.

After going through her own unique transformation she decided to share her extensive training, experience, coaching and massive Law of Attraction results and she has created the “Become the Best Version of You! Think Bigger, Play Bigger, and Make More Money & Get a Renewed Excitement for Life Book”

She works with solo-preneurs, coaches, consultants, and spiritual teachers who are ready to have a 6 figure income and beyond! Beverly is passionate about the Law of Attraction and Emotional Freedom Technique and its possibilities.

Beverly credits her success to the rare blend of combining Law of Attraction and EFT. Her curiosity about how to use the Law of Attraction deliberately and intentionally led her to finding Michael Losier. Michael Losier is her mentor and cherished friend. Michael is the Canadian bestselling author of "Law of Attraction: The Science of Attracting More of What You Want and Less of What You Don't".

Beverly's focus on providing leading edge transformational system which include tools, scripts, and advanced techniques on "how to become the best version of you" combining the powerful Law of Attraction and EFT will undoubtedly accelerate prosperity, joy, freedom and abundance. You'll develop the confidence to step out into unknown territory so you can realize your greatest potential and massively improve your Law of Attraction results
